WHAT IS IT?

THE GENERAL MANAGER dropped in on the Adman and said: "We've decided to give something interesting away next Saturday. It's something most everybody will want. Some have them NOW, some never will have them but ALL should have them. Tell our customers to be prepared for an interesting announcement later"-then he went away-of course the Adman wonted to ask WHAThe was gone so quickly it was too late. Gee!-it must be something worth while or the GENERAL MANAGER would have told the Admon just what it was. Yes -the writer forget to mention that the Manager said to say nothing about it-so you'll have to wait until tomorrow for more news.
